

Fort Washington, PA - October 26, 2009 – Futura Services, Inc., a leader in managed services for mobile technology, today announced that for the second year in a row it ranked on the Technology Fast 500™, Deloitte LLP's ranking of 500 of the fastest growing technology, media, telecommunications, life sciences and clean technology companies in North America. Rankings are based on percentage of fiscal year revenue growth during the five year period from 2004–2008. Futura grew 223% during this period. Futura's President, Janet DeNicola, credits their suite of cost saving solutions with the company's 223% revenue growth over the past five years. "We are excited to once again be included in the Technology Fast 500." DeNicola said. "Our growth confirms the trend for many organizations to improve efficiency and reduce costs by taking advantage of managed service providers like Futura." "With its impressive five-year growth, Futura has earned its position among the fastest growing technology, media, telecommunications, life sciences and clean technology companies in North America," said Mark Jensen, Managing Partner, Technology and Venture Capital Services, Deloitte & Touche LLP. "Deloitte is proud to honor Futura for its achievement." Futura previously ranked as a Technology Fast 500™ award winner for 2008.
